

# WEEKLY ARIZONA MINER.

VOL. XIII.

PRESCOTT, ARIZONA, FRIDAY EVENING, OCTOBER 27, 1876.

NO. 43

## A CARD.

Editor Arizona Miner:

A few days ago a circular signed "ANTI-RINGIST," was placed in my hand by a friend, the more particular purpose of which seemed to be an attack upon the person who was at the head of what he was pleased to call the RING TICKET, that being the ticket nominated by the Mass Meeting held in Prescott on the 11th, inst. As my name is the first on that ticket, I take it that I am the person whom he attempted to assail. In support of his insinuation that I am not in favor of the removal of the Capitol to Prescott, he relates what I should have said last June in reference to the agitation of the Capitol question. Believing as I did that while the majority of the representation in the Legislature was south of the Gila river there was no chance to remove the Capitol, I may have said, and probably did say, that under the then existing circumstances I was opposed to the agitation of the question, but since then matters have changed. A majority of the representation is north of the Gila and we now have a chance to move the Capitol and I am in favor of it. He next says, that some one says I received \$500 for throwing out the Little Colorado vote two years ago. Now every one who knows anything about the matter, knows that it was charged that the return of the Little Colorado vote as made to the Recorder was fraudulent. Mr. Stevens, after the election was over, employed myself and Captain Hargrave as lawyers to assist in having that fraudulent return rejected by the Board of Supervisors for which service he paid us each \$500. I aimed to do my duty as a lawyer after my employment. Again he says that some one has said that the gentleman who heads the ticket received at Tucson \$2,200 to withdraw his name as a candidate for Delegate. In reply to this I desire simply to say that whoever says that I ever at any time received at Tucson, or at any other place, \$2,200 or any other sum to withdraw my name as a candidate for Delegate, or for any other office, says that which is absolutely and unqualifiedly false. I have lived in the Territory for more than ten years, and most of that time in Yavapai.

I should not have noticed their circular, but for the fact that I believe it was intended to be used in different parts of the County where I am not known.

Now a few words to the voters of the County: When first solicited to permit my name to be used for the Council, I absolutely refused, but on being importuned by many, I finally consented. I say to you emphatically that I do not desire the office unless you think I may serve you, and if you have any doubts whether I would serve you faithfully, it is your duty to select someone in whom you have full confidence. If I am elected, I will, to the best of my ability serve each and every interest in each and every locality of the County, without giving preference to any one locality over another. Believing as I do that the removal of the Capitol from Tucson to Prescott would subserve the best interests of the County and of the Territory, I shall use all honorable means in my power to procure its removal to Prescott. If I am not elected I shall, without any regret on my part, pursue my legitimate business.

HON. W. H. HARDY addressed the people of Prescott and vicinity on Monday evening from the stand on the plaza, making several good points touching the relative population north and south of the Gila, and showing that the latter had held the balance of power notwithstanding their inferior numerical strength. The speaker urged upon his hearers the necessity and justice of sending a man to Congress, one whose interests were north of the Gila, in order that the nation might get a knowledge of our wants and requirements. The meeting was largely attended and quite enthusiastic. J. W. Leonard, C. A. Luke, J. A. Rash and F. L. B. Goodwin responded to calls and made speeches after Mr. Hardy closed.

**Apologetic.**—Owing to confusion incident to the receipt and setting up of a machine press and removal of the old one, together with the hurry of printing the Great Register which has taken up the time of all the printers in the office during the week, we have been unable to get out the MINER in its usual size, and ask our patrons to accept this apology with a promise, as soon as the smoke of the election battle clears away, to greatly enlarge the regular weekly edition and publish a daily.
